AND I WILL COMMIT MYSELF TO THE IABC AND WITH MYSELF...

• TO ATTEND CLASS:

I understand the importance of attending classes frequently, being on time, and staying until the end of class. I understand that I must attend at the required class time specified by the university. I understand that only one optional course will be offered each year if I am unable to attend.

• TO PARTICIPATE:

I will commit to actively participating in class as this is very important for my learning experience and for my fellow students. As part of this commitment, I understand that I must respect others and avoid cell phone use or other disruptive behaviors. I will communicate regularly with the university staff to make sure I am on track.

• TO PREPARE FOR CLASS AND STUDY:

I will make sure I am prepared with all study materials, and I will study independently to prepare myself for each class as required by the class. I will complete all tasks on time, demonstrate organization, time management, a strong work ethic, and willingness to learn. I also understand that my classes may require several hours of independent study per week.

• TO SUCCEED:

I will go to the instructor with any questions or concerns about the class to ensure my success in the class and I will follow every university policy. I understand that plagiarism and deception are unethical, and I will submit works that are properly documented and solely mine. I want to be proud of the work I do and of the college credits I earn. I will use what I study for God's Honor and Glory, for the edification of His Church, and to fulfill His mission.

• TO BE POSITIVE:

I understand that I will be in a university environment where the rigor of the class can challenge me; I will stay positive, and I will understand that this is a necessary part of learning. I pledge to strive to accept the difficulty with optimism. I understand that I can only succeed through hard work, and I will take the lead in my education. Because I want to succeed in this program, I will apply the above commitment to support my success. I understand that the ultimate responsibility for success is within my control. I am 100% committed.
